Parenting

There's no one right way to raise a child, and you don't have to be perfect. These programs are here to help you learn effective ways to support your child's healthy development and learning.

Parenting Activities

Participate in family-friendly workshops, classes, story times and other events to have fun with your child, learn more about child development, positive parenting, health and literacy, and meet other parents.

Parenting Activities

United Way of Tucson and Southern Arizona

Cholpon Rosengren | (520) 903-3921

Family Support - Children with Special Needs

Get individualized support and coaching to help you identify and address developmental concerns early, respond to challenging behaviors, and support your child's physical, social and emotional development.

Parents As Teachers for Special Needs Program

Easter Seals Blake Foundation

Marely Lievanos | (520) 792-2636 x 7098
parentsateachers@blake.easterseals.com

Home Visiting Programs

Work 1-on-1 with a trained and caring parent educator, in the convenience of your own home, to build on the parenting skills you already have and nurture your child's health, development and learning.

In-Home Family Support

United Way of Tucson and Southern Arizona

(520) 903-3921
familysupport@unitedwaytucson.org

Child Health and Development

All children develop differently, but it helps to know if they're meeting typical milestones or could use extra assistance, and many medical and dental problems can be prevented.

Dental/Oral Health

Prevent tooth decay by having a professional check your child's teeth (or yours, if you're pregnant), protect your child's teeth with fluoride, and get a referral to a dentist if you need one.

First Smiles Matter

Pima County Health Department

Margaret Perry | (520) 724-7902
margaret.perry@pima.gov

Support for Families with Immediate Needs

In times of difficulty, families can find immediate help to provide for the care and safety of their young children. Connect with services available in your community to meet your most urgent needs and help you nurture your child's healthy development.

Family Support and Child Development

Tohono O'odham Nation

Genevieve Valenzuela | (520) 349-8324
genevieve.valenzuela@tonation-nsn.gov

Well-Child Programs

Get information, assistance and referrals from a developmental specialist to help you support the health and development of your young child.

Quality Child Care and Preschool

Quality early learning programs help young children learn, grow and thrive. More than 1,000 child care centers, homes and preschool programs in Arizona participate in Quality First to improve the quality of early learning for kids from birth to age 5. Many offer Quality First Scholarships to help low-income families afford quality early care and education.

Transition to Kindergarten

Introducing your child to what they'll experience in a kindergarten classroom can reduce their stress — and yours — and help them be ready to succeed in school.

Summer Transition to Kindergarten
Pascua Yaqui Tribe
(520) 838-7150

Birth to Five Helpline

A free service available to all Arizona families with young children, (as well as parents-to-be), who have questions about their baby, toddler or preschooler. Ask experts about your child's feeding, sleep, behavior or any other concern. The Birth to Five Helpline is here to help.
